

Let's Travel to

MOROCCO

Get Lost For Good in the gateway to Africa and a country of dizzying diversity

Starting at
\$2100 pp

- *Morocco is quite a mountainous country with the Atlas Mountains running from northeast to the southwest through the center and the Rif Mountains located in the north*
- *In Moroccan culture, the liver is considered the center of love, not the heart*
- *Visit to the capital city of Morocco - Rabat, a historic city which is characterized by Islamic and French-colonial architecture*
- *Visit to Fes – the erstwhile capital of Morocco (until 1925), long been considered the spiritual home of the country*
- *And of course, visit to Marrakech (host of one of the biggest souks of Morocco) & Casablanca (the largest city of Morocco)*
